

# ST. FRANCIS COLLEGE

12 March 2019.

## Presentation on St Francis academic and university guidance offered

Dear parents,

We are aware that as students reach a certain age, it is only natural for families and students to re-assess their educational choices. As students move on to the last years of their secondary schooling, we know you want to be reassured about the options you will take. With this in mind we would like to invite all parents, but in particular MYP 4 and MYP 5 to a presentation where we will focus on explaining the academic offer of the school for these last 4 years and the work and preparation we do to accompany students in their search and admission to universities in Brazil, the USA, UK, Europe and elsewhere in the world.

Because of the importance of the meeting, we would really want to have the attendance of all parents. This is why I would like to open up the possible time for this meeting, to try and accommodate as many of you as possible. The meeting will be held on **Thursday 21<sup>st</sup> March**. Please fill in the [following form](#) to let us know which time is more convenient for you. I will announce the time of the meeting on Friday 15<sup>th</sup> March.

## Arts Festival

Once again we would like to invite you to the second edition of the St Francis Arts Festival, that will take place this Saturday 16<sup>th</sup> March between 10:00 and 13:00. ## Student-led Conference

Save the Date! On Wednesday 10<sup>th</sup> April, we will hold the Student-led Conferences for MYP 1 – 4 and DP 1. Student-led conferences are an invaluable part of our reporting system when students will share with their parents and tutors their progress over the academic year. Students are working hard preparing the conferences. Your participation is of the utmost importance. Next week I will be sending the invitation to book a time for the Conference.

Yours sincerely,

Andrés Suárez  
Head of Secondary
